To: The Honorable Ras Baraka, Mayor of the City of Newark.

Dear Mayor Baraka,

This letter is a request that you place a memorial site at the **Mulberry Commons Park** to honor the **Chinese Americans** who lived, had their businesses and worked in Newark for a hundred years. Like African Americans, they also suffered from racism and ill treatment especially with the passing of the Exclusion Act. If you remember it was not until the end of World War 2 that Chinese Americans could bring their families to the US.

As Chinese Americans and supporters of Chinese American Culture, we would like to honor all the ancestors who suffered to make a better life in America.

Please support this initiative.
